## NATIONAL CADET CORPS (NCC)

## AT A GLANCE

# NATIONAL CADET CORPS (NCC)

## INSTITUTION

The National Cadet Corps has its genesis in the "University Corps" which was created under the Indian Defence Act - 1917 with the aim to make up the shortage of the Army. In 1920, when the Indian Territorial Act was passed, the University Corps was replaced by University Training Corps (UTC). In 1942, the University Training Corps was renamed as the University Officers Training Corps (UOTC). In order to create a youth organization at the national level, a Committee under Pandit HN Kunzru was set up in 1946. Recommendations of this Committee paved the way for the formation of NCC. Thus, the National Cadet Corps came into existence under the National Cadet Corps Act XXXI of 1948 under the Ministry of Defence.

### AIMS OF NCC

To develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of the country.

To create a human resource of organized, trained and motivated youth, to provide leadership in all walks of life and always available for the service of the nation.

To provide a suitable environment to motivate the youth to take up a career in the Armed Forces.

### MOTTO

The motto of NCC is "Unity and Discipline".

### GROWTH

The Corps which started in a small way with a cadet strength of 35 thousand has now grown to 13 lakhs and soon going to be 15 lakhs. The network of 774 NCC Units is spread all over the country through 4880 colleges and 7783 schools.

The National Cadet Corps was given an inter-service image in 1950 when the Air Wing was added, followed by the Naval Wing in 1952. Earlier, in 1949, the girls' Division had been

brought in to give equal opportunity to school and college going girls of the nation. In 1952, the NCC curriculum was extended to include community development as part of the NCC syllabus.

### ADVISORY COMMITTEES

There are two advisory committees. The Central Advisory Committee (CAC) is the highest policy making body at the National level. State Advisory Committee (SAC) is chaired by the Chief Ministers of the respective States.

At the State level, the country has been divided into 16 Directorates (Dtes) covering all States and Union Territories.

At the State level, the country has been divided into 17 Directorates (Dtes) covering all States and Union Territories. These Dtes are headed by an officer of the rank of Brigadier or its equivalent from the other two services.
